

CORPORATION OF THE TOWNSHIP OF ESQUIMALT

BY-LAW NO. 660

BEING a by-law to authorize the construction of a sanitary sewer on Lampson Place from the easterly boundary of Lampson Street to the easterly limit of Lampson Place as a work of local improvement under the "Local Improvement Act".

WHEREAS Thor Loan & Investment Ltd., and others have lodged with the Clerk a petition to the Council to construct as a local improvement the work hereinafter described and the Clerk has certified that the said petition is sufficient and it is deemed expedient to grant the prayer of the said petition.

AND WHEREAS no part of the said work is to be incurred at street intersections and the whole of the cost of the said work is to be assessed upon the lots abutting directly thereon (according to the extent of their respective frontages thereon by an equal special rate per foot of such frontage sufficient to defray such cost.)

AND WHEREAS pursuant to Section 30 of the "Local Improvement Act" the Council has procured to be made by the Municipal Engineer a report as to the various matters in the said Section referred to and it appears by the said report that the estimated cost of the said work including engineering expenses, interest on temporary loans and the estimated cost of the issue and sale of debentures, is \$2,500.00 and that the estimated lifetime of the said work is not less than twenty years.

NOW THEREFORE the Municipal Council of the Corporation of the Township of Esquimalt enacts as follows:

1. That there be constructed as a work of local improvement under the provisions of the "Local Improvement Act" a sanitary sewer on Lampson Place from the easterly boundary of Lampson Street to the easterly limit of Lampson Place.
2. That the Municipal Engineer do forthwith make such plans, profiles and specifications as may be necessary for the execution of the said work.
3. That the said work shall be carried on and executed under the superintendence of the said Municipal Engineer and according to the said plans, profiles and specifications and to the directions and orders of the said Municipal Engineer.
4. That the entire cost of the said work shall be specially assessed upon the lots abutting directly on the said work according to the extent of their respective frontages thereon by an equal special rate per foot of such frontage sufficient to defray such cost.

5. The special assessment for the cost of the said work shall be paid in twenty annual instalments.
6. The debentures to be issued and sold to meet the cost of the said work when completed shall bear interest at the rate of not more than five per centum (5%) per annum and shall be twenty year serial debentures, the interest on which is to be paid semi-annually and the principal of which is to be met by the payment of such specific sum in each year during the currency of the said debentures as may be determined by the by-law providing for the borrowing of the monies required to pay for the construction of the said work.
7. This By-law may be cited as "LAMPSON PLACE SEWER LOCAL IMPROVEMENT BY-LAW, 1956".

PASSED by the Municipal Council on the 13th day of February, A.D., 1956.

RECONSIDERED, ADOPTED and FINNALLY PASSED as aforesaid by the Municipal Council on the 27th day of February, A.D., 1956.
