

CORPORATION OF THE TOWNSHIP OF ESQUIMALT

BY-LAW NO. 885

BEING a By-law to authorize the construction of a sanitary sewer on Fernhill Road from the westerly boundary of Lot 5, Plan 1356 in a northeasterly direction to a point 23 feet northeast of the westerly boundary of Lot 2, Plan 5852, as a work of local improvement under the provision of Part XVI of the "Municipal Act".

WHEREAS C.K. & E.L. Mackenzie have lodged with the Clerk a petition to the Council to construct as a local improvement the work hereinafter described and the Clerk has certified that the said Petition is sufficient and it is deemed expedient to grant the prayer in the said petition,

AND WHEREAS no part of the said work is to be incurred at street intersections and the whole of the cost of the said work is to be assessed upon Lot 2, Plan 5852.

AND WHEREAS pursuant to Section 600 of the Municipal Act the Council has procured to be made by the Municipal Engineer a report as to the various matters in the said section referred to, and it appears from the said report that the estimated cost of the said work is \$180.00, and that the estimated lifetime of the said work is not less than forty years.

NOW THEREFORE the Municipal Council of the Corporation of the Township of Esquimalt enacts as follows:

1. That there be constructed as a work of local improvement under the provisions of Part XVI of the "Municipal Act" a sanitary sewer on Fernhill Road from the westerly boundary of Lot 5, Plan 1356 in a northeasterly direction to a point 23 feet northeast of the westerly boundary of Lot 2, Plan 5852.
2. That the Municipal Engineer do forthwith make such plans, profiles and specifications as may be necessary for the execution of the said work.
3. That the said work shall be carried on and executed under the superintendence of the Municipal Engineer and according to the plans, profiles and specifications and to the directions and orders of the said Municipal Engineer.
4. The entire cost of the said work shall be specially assessed upon Lot 2, Plan 5852.

5. The special assessment for the cost of the said work shall be paid in fifteen annual instalments.
6. The owner of the said Lot 2, Plan 5852 may commute for payment in cash the special rate imposed thereon by paying the cost of construction assessed upon such lot without interest within thirty days after the special assessment roll has been certified by the Court of Revision.
7. The debentures to be issued and sold to meet the cost of the said work when completed shall bear interest at the rate of not more than 7% per annum and shall be fifteen year serial debentures, the interest on which is to be paid semi-annually and the principal or which is to be met by the payment of such specific sum in each year during the currency of the said debentures as may be determined by the By-law providing for the borrowing of the said monies required to pay for the construction of the said work, and the specific interest rate to be payable on such debentures shall be determined by a resolution of the Council prior to the preparation of the special assessment roll.

8. This By-law may be cited as the Fernhill Road Sewer Local Improvement By-law, (No. 2), 1959".
