

Street Design Elements

Center Medians (Existing Center Medians Retained)

- ✓ Separate traffic moving in opposite directions.
- ✓ Help reduce vehicle speeds.
- ✓ Provide a pedestrian refuge area at crossings.

Center Two-Way Left-Turn Lane (Where Required)

- ✓ Provides dedicated space for vehicles turning left.
- ✓ Keeps through traffic moving more smoothly.

Possible cross section west of Admirals

Accessibility and Sidewalk Improvements

- ✓ New or upgraded curb ramps at selected intersections.
- ✓ Improved access to pedestrian push buttons.
- ✓ Sidewalk improvements near selected intersections.

Lighting Improvements

- ✓ Upgraded at crosswalks and intersections where required.
- ✓ Improves visibility for people walking, rolling, biking, and driving.
