Information on reverse

INFORMATION FOR THE PERMIT APPLICANT/CONTRACTOR

PART A

1. Prior to receiving a permit, the applicable fee is to be paid at Esquimalt Municipal Hall located at 1229 Esquimalt Rd. and then Part A may be completed by the applicant/contractor.
2. The permit application will be sent to Esquimalt Fire Rescue Services (EFRS) and once received, Part A of the permit will be reviewed, authorized, and returned to the applicant/contractor via email.
Hard copy can be made available upon request
3. **Work of any nature is not to commence** until permit authorization has been received by the applicant/contractor, from Esquimalt Fire Rescue Service in accordance with municipal bylaws.

*Bylaw No. 2839/2783 FIRE PROTECTION AND REGULATION BYLAW, 2011, NO. 2783 SCHEDULE "E" FEES
Section (46) Install/remove/alter oil burner/tank without permit \$200 fine, Early Payment Reduced Penalty \$150,
Late Penalty \$250*

4. A signed copy of the permit must be available at the property where and when work is being performed.

PART B

5. Once work is authorized to begin, any oil burning equipment being removed from the property must be inspected and recorded for EFRS records prior to removal. Underground storage tanks must be opened, pumped and cleaned prior to removal and inspection.
6. Any installation of oil burning equipment must be inspected and approved once installed.
7. To schedule an inspection or re-inspection, email or phone Esquimalt Fire Rescue Services and that inspection will be booked as per operational ability.
8. Esquimalt Fire Rescue Services will sign-off on permit or issue stop work order.
9. The permit will be retained by Esquimalt Fire Rescue Services.
10. A written report can be requested at any time by contacting Esquimalt Fire Rescue Services.
11. All applicable fees must be paid at Esquimalt Municipal Hall located at 1229 Esquimalt Rd. in accordance with municipal bylaws.

Bylaw No. 2783 FIRE PROTECTION AND REGULATION BYLAW, 2011. NO. 2783 SCHEDULE "A" FEES (1) Permit for installation, alteration or removal of oil burner, oil burning equipment or oil tank, including inspection fees \$50.00 (2) Any required re-inspection of permit issued under clause (1) \$25.00 (3) Written report requested for oil burner, oil burning equipment or oil tank inspections \$50.00
