Picnic Tables: During peak seasons, we encourage booking in advance to secure your preferred space.

First-Come, First-Served: If you do not have a reservation, park spaces are available on a **first-come, first-served** basis. However, if an area is reserved, individuals with a permit have priority use and may ask others to relocate.

Exclusive Use: While parks remain open to the public, specific areas such as picnic tables and sports fields can be reserved for private use. This is especially for organized activities like sports events or private gatherings.

Expected attendance: If your picnic has over 75 people in attendance, a special event application may be required. We will review your request and let you know.
