

PIB#1	General Correspondence
Information is about	General letters of appreciation, complaint, condolence,
	congratulation, invitation, criticism, etc.
Information is disclosed to	Municipal staff
Purpose for collection	Communication, service, investigation, action
Types of personal information collected	Complaints (filed in subject matter, or bylaw enforcement)
Collection Code	FOIPPA s.26(b); FOIPPA s.26(c)
PIB # 2	Associations, Clubs and Societies
Information is about	Correspondence, proceedings, minutes, annual reports, financial
	statements, membership fees related to these organizations.
Information is disclosed to	Municipal staff
Purpose for collection	Engagement with these types of groups
Types of personal information collected	Name, contact, member information, professional qualifications,
	references
Collection Code	FOIPPA s.26 (c)
PIB # 3	Authorities, Boards, Commissions and related agencies
Information is about	Correspondence, proceedings, minutes, annual reports, financial
	statements, membership fees related to these organizations.
Information is disclosed to	Municipal staff, authority, board, commission staff
Purpose for collection	Engagement with these types of groups
Types of personal information collected	Name, contact information, professional qualifications, references
Collection Code	FOIPPA s.26 (c)
PIB # 4	Awards
Information is about	Records relating to the presentation of awards or the receipt of
	awards by the Township
Information is disclosed to	Municipal staff
Purpose for collection	Facilitating the nomination and selection of potential recipients
Types of personal information collected	Name, contact information, professional qualifications, references
Collection Code	FOIPPA s.26 (c)
PIB # 5	Committees and Commissions
Information is about	Agendas, notices, minutes, reports and other records
Information is disclosed to	Municipal staff, committee & commission staff
Purpose for collection	Establishment, organization, functions of external boards,
	commissions, committees, councils, groups, panels, subcommittees,
	task forces, working groups
Types of personal information collected	Name, contact information, professional qualifications, references
Collection Code	FOIPPA s.26 (c)
PIB # 6	Capital Regional District
Information is about	Capital Regional District departments and standing committees
Information is disclosed to	Municipal staff, CRD staff
Purpose for collection	Engagement with CRD
Types of personal information collected	Name, contact information, professional qualifications, references
Collection Code	FOIPPA s.26 (c)
1	•

PIB # 7	Council committees
Information is about	Establishment, organization, and functions of committees of Council
Information is disclosed to	Municipal staff, Council & committee staff
Purpose for collection	Establishment, organization, functions of committees of Council
Types of personal information collected	names, contact information, resumes
Collection Code	FOIPPA s.26 (c)
PIB # 8	Council meeting records in Granicus meeting management software
Information is about	Records of the meetings of Council
Information is disclosed to	Public
Purpose for collection	Documenting Council activities
Types of personal information collected	Name, address
Collection Code	FOIPPA s.26 (c)
PIB # 9	In Camera Council Meetings
Information is about	Records of the meetings of Council
Information is disclosed to	Municipal staff, council
Purpose for collection	Documenting Council activities
Types of personal information collected	Name, address
Collection Code	FOIPPA s.26 (c)
PIB # 10	Freedom of Information Access Requests
Information is about	Administration and management of information and privacy issues and requests for information to the Township
Information is disclosed to	Municipal staff, information request applicant(s)
Purpose for collection	Responding to access to information requests
Types of personal information collected	Name, address, contact details, and location information, government processes, actions and decisions
Collection Code	FOIPPA s.26 (c)
PIB # 11	Protection of Privacy Requests
Information is about	Administration and management of information and privacy issues and requests for information made to the Township
Information is disclosed to	Municipal staff, request applicant(s)
Purpose for collection	Administration and management of information and privacy issues
Types of personal information collected	Name, address, age, gender, professional performance, health, financial information
Collection Code	FOIPPA s.26 (c)
