ECAH COMMUNITY OUTREACH SURVEY RESULTS

WHAT COMMUNITY MEMBERS WANT IN ESQUIMALT

Based on our survey results, here's what your neighbours in Esquimalt think.

Results Summary

The results were positive, and many supportive comments indicated an art gallery would be welcome in the Township.

Response Keywords

gathering

accessible

performance

murals

diverse

multipurpose

inclusive

classes

outdoor

meetup

The overall commentary indicated a need for a **true arts hub** and a physical space for **creative connection** within the city.

Open Comments

The numerical data corresponds to general comments requesting **gallery** and **display space**, as well as children and adult **arts programming, workshops, lectures** and courses.

Space Function

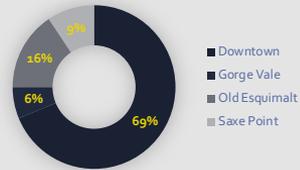

84% of responders said art gallery space was **very important**.

- #1 gallery space
- #2 classrooms
- #3 maker lab or workshop
- #4 studio

Geographic Location

Most respondents chose Downtown Esquimalt as the top desired location.

Next Steps

We're actively searching for a commercial space that best meets the survey feedback.

COMMUNITY OUTREACH - slide 9

We've consulted with general members of the public and key organizations operating in the arts.

Where We Fit | Official Community Plan

Section 6.3 - Esquimalt Town Centre

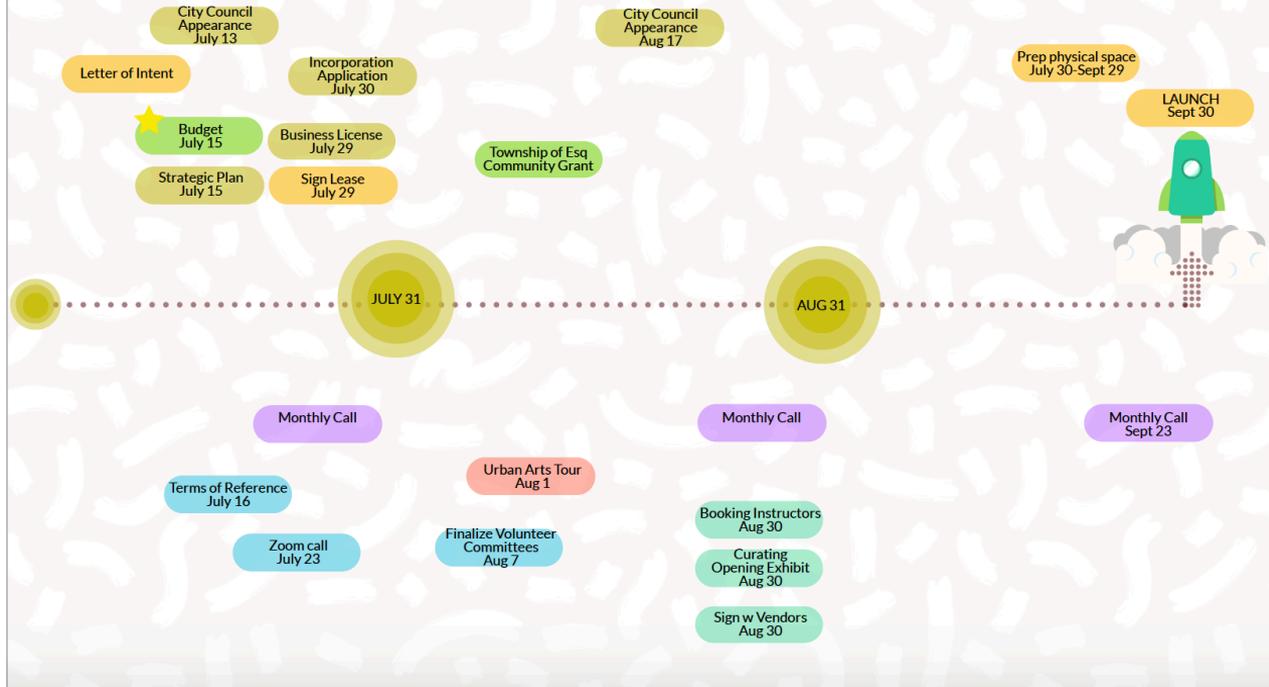

Encourage a range of retail stores, services, professional offices, community services, recreation, institutional, educational, and arts / cultural uses that encourage activity throughout the day and evening.

Section 15.1 – Arts & Culture

Promote an animated public realm where people can gather, connect and celebrate through art friendly public spaces and facilities.

Section 16.1.6 – Economic Development

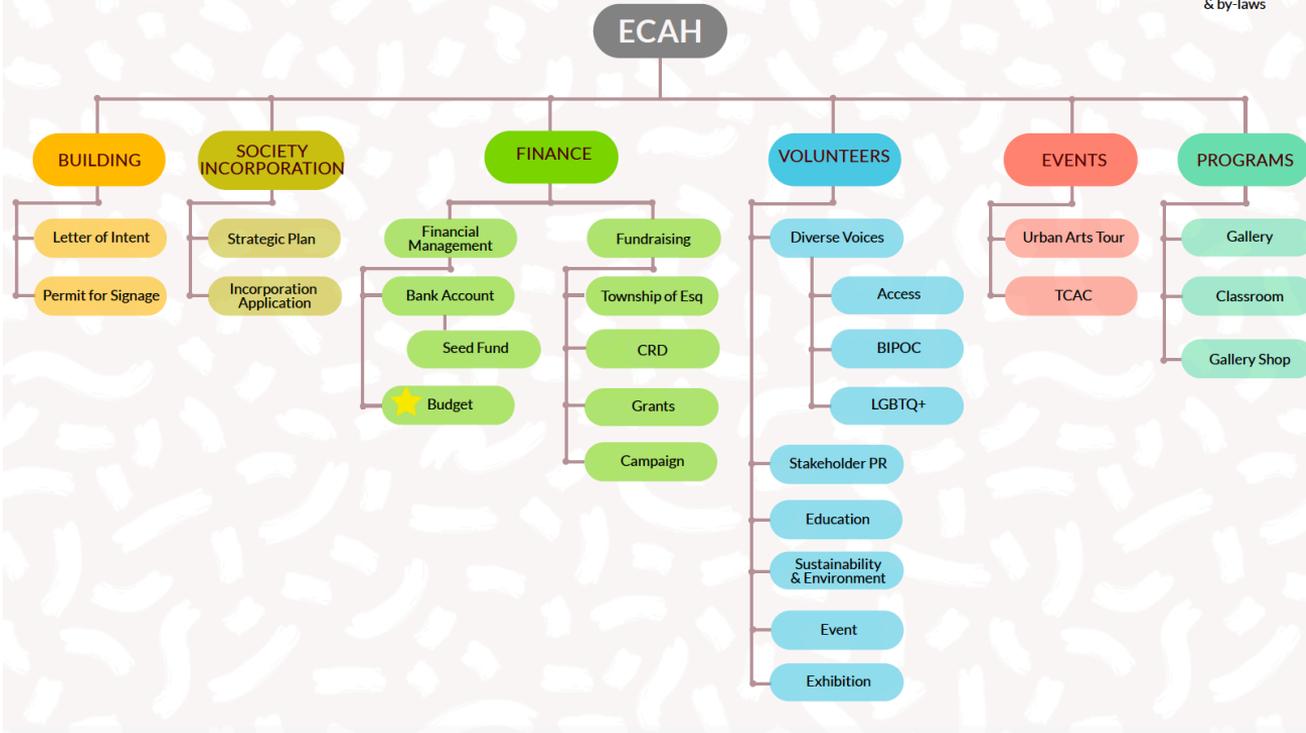

Expands the sport, arts and culture sector, promoting Esquimalt's sports facilities, arts and cultural heritage.
