## PARENT HANDBOOK

### School Year Program 2022/2023

Welcome to Esquimalt Recreation Centre Preschool! We are pleased you are joining us and we have many opportunities for your child(ren).

#### OUR PHILOSOPHY

We are a team of caregivers who honour and value the relationship between a parent and their child. We respect a family's expertise when it comes to their child and believe that it is a privilege to be a part of your family's life. We believe that children need LOVE from their parents and teachers to grow and develop above everything else.

We work hard to create a safe, supportive and nurturing environment, keeping the best interests of the children in mind. We believe that for children to be successful they need to be exposed to rich programming based on the ECE Learning Framework:

1. Well being and Belonging
2. Exploration & Creativity
3. Languages & Literacy
4. Social Responsibility & Diversity

We welcome you into our Preschool Program, where we offer a positive environment, for children to be supported and guided by educators who care for one another and truly are passionate about their role they play in the lives of the children.

#### OUR GOALS

- To provide a safe and nurturing environment for children ages 30 months to 5 years
- To provide a healthy learning atmosphere where each child can feel safe, respected and valued while meeting their social and emotional developmental needs
- To work with each child's parents/guardians and with child & family related professionals to provide a holistic approach in meeting the child's needs
- To encourage each child to develop to his or her full potential

**We wish to recognize and acknowledge the Songhees & Esquimalt Nations on whose traditional territory we live, we learn, and we do our work.**

## **FIRST WEEK OF PRESCHOOL**

An email will be sent in August to give you information regarding the first day as an “Open House”. This will be an introductory day for parents to remain with their children, help ease any separation anxiety or worries. It is also a great time to meet some of the other parents and ask any questions you may have of your instructors.

## **SCHOOL YEAR PROGRAM**

### **Preschool (3-5yrs)**

Allow your child to explore their creativity through an array of exciting activities. Our ECE certified staff embrace the Reggio Emilia approach which encourages exploration and focuses on the importance of community and self expression. Activities and projects are child-lead, based on their ideas and interests and the ECE Learning Framework. The day will include free play, arts & crafts, singing & dancing, story time, outdoor play and more. We strive to create a welcoming fun and safe environment for your little one to grow and develop their cognitive, physical and social skills at their own pace.

### **Kinderstart (4-5yrs)**

This program is designed to enhance and develop those skills needed in preparation for Kindergarten. Kinderstart is the next step in developing kindergarten readiness skills in a wide spectrum including social & emotional maturity, language and literacies skills, even setting routines. Children will learn through exploration and play, contributing to the development of their fine and gross motor skills. Daily activities may include arts & crafts, outdoor play, singing, dancing, cooking and more! This program is designed for children entering kindergarten the following year. **Children must be 4 years of age by Dec 31, 2022.**

### **Fantastique Fridays! (3.5-5yrs)**

Extend your week with this terrific Friday class. Your child will be introduced to the French language through songs, stories and rhymes. Our ECE Instructors will chose monthly themes inspired by the interests of the group and may include, cooking, seasons, space, friendships and more . Each class will include free play, art activities and circle time with a focus on fun and beginner French. Children must be 3.5 yrs at the start of the program in September.

### **Preschool Readiness:**

When you are determining if your child is ready for preschool please consider these factors:

1. Can my child happily say good bye with a quick hug and kiss at the door?
2. Is my child still getting sleepy late in the morning or do they still take a morning nap?
3. Is my child able to go to the bathroom without help of wiping, washing hands pulling up and down pants?
4. Is my child overly emotional or struggle with transitions?
5. For the afternoon program – Is my child still full of energy in the afternoon or do they nap or get very tired during this time?

### **Transitions:**

Coming to Preschool is a big step in your child's development and the first steps towards more independence. As a caregiver please work towards quick good byes at the door. This could be a little hug or kiss and a wave while the parents are at the door signing in. This needs to be initiated by the parent and not the preschool teachers.

### **Importance of Routines:**

Children need predictability and routine. It helps them to feel stable, safe and in control. Setting a routine before preschool is just as important as the Preschool routine. This includes a good night's sleep, and a morning routine at home before school so that they are physically and emotionally ready for the day at preschool.

### **PRESCHOOL EXPECTATIONS:**

Please find below the "Preschool Expectations." These are guidelines for expected behaviour while participating in our programs. Please take the time to read the rules and discuss them with your child. We also value that children need to take responsibility and be held accountable for their behaviour.

#### **At Preschool our goal/expectations for participants, staff, and parents will:**

- 1. Stay Safe:** be aware of your surroundings and how your actions impact those around you and yourself (e.g. use walking feet, have a calm body, keep hands to ourselves, wear weather appropriate clothing, eat healthy snacks).
- 2. Be Respectful:** to your friends, teachers, the environment and yourselves (e.g. listen to others, problem solve with words, talk calmly, take turns, share, look at nature, take a break from the group when you need to).
- 3. Have Fun:** have a positive attitude and enjoy the activities available to you (e.g. play safe, include your friends, suggest activities to the teachers, be creative).
- 4. Try Our Best:** try new activities and problem solving before asking a teacher for help (e.g. ask friends for help, be patient, encourage friends in a new activity, keep your body calm with 3 deep breaths).

### **Bathroom & Toileting:**

All children **must** be toilet trained by the start of preschool. We understand that accidents happen, please ensure your child has a change of clothes packed each day in their back packs. It is important to note that staff can not help with actual toileting like wiping. Consider preparing your children to be able to pull pants up and down, wipe, flush toilet and wash hands. These are easy things to practice at home!

### **Snacks & Drinks:**

1. Please bring a healthy snack and water bottle to program each day.
2. Possible sugary snacks will only be provided on special occasions, such as birthdays and holidays.  
**Parents/guardians please do not to send candy, chocolate bars, soft drinks, gum, etc.**
3. We will never force children to consume any food or drink.

4. Safe drinking water will always be available to children at all times. We ask that you do **NOT** send any juice boxes as we see them often wasted or children fill up on juice and have no room left for a healthy snack.

**Clothing & Items Needed Daily:**

Children will be playing inside and outside each day. Please dress appropriately for the weather and for preschool. Expect children to get dirty! Here is a list for items needed for the year.

## **PROVIDING A SAFE ENVIRONMENT**

### **Staffing Levels**

There is an on-site manager and ECE licensed staff for all Preschool Programs. The staff to child ratio is 1:10, with a maximum of 20 participants. All Esquimalt Preschool staff must meet the following criteria:

### **Licenses & Inspections**

Esquimalt Parks & Recreation Staff are committed to providing quality leadership and care for all children involved in licensed care programs. All rooms are licensed by the Island Health and are regularly inspected by licensing officers. The Esquimalt Fire Department has inspected and approved all sites and there are monthly fire drills.

### **Accidents**

In case of an emergency, the staff will contact parents/guardians. If the parents/guardian cannot be located, the staff will attempt to locate an alternate contact to take the child to the doctor/hospital/home. If the incident is serious and requires calling Police/Fire/Ambulance they will be called first, the child's health and safety will be the priority. We will then notify parents/alternates as soon as reasonably possible.

### **Emergency Situations**

Preschool Staff are trained to follow Esquimalt Parks & Recreation Emergency Procedures during emergency situations such as fire and earthquake. Emergency Evacuation Procedures are posted in the Centre. Fire drills are conducted monthly. Please note that programs are equipped with cell phones and staff will attempt to contact parents/guardians during/after an emergency situation.

### **Missing Children Policy**

Child abduction is a serious problem that concerns everyone. If a child is missing, program staff will immediately follow the procedures listed below:

- 2) Thoroughly check the location and surrounding area.

- 3) Gather the entire group together and do a head count and role call, the group stays together until the child is located.
- 4) Head count again and seek any information from the group (ie: gone to the bathroom, walked away crying, left with parent/adult).

**SCHOOL CLOSURES**

**Statutory Holidays**

## **PARENTAL RESPONSIBILITIES**

### **Attendance**

To prevent any “lost child” concerns it is imperative that parents sign their child in and out of program each day.

### **Illness**

Esquimalt Parks & Recreation is committed to providing a safe and healthy environment. If your child is sick or displays the following symptoms, we ask that you make alternate arrangements: a persistent fever (38.3c or higher), unexplainable rashes, vomiting, diarrhea, cough/sore throat/runny nose (with listlessness), or is too ill to enjoy Preschool activities.

***Program staff reserves the right to refuse attendance of a child who appears to be too ill to participate or who appears to have a contagious condition.***

During the program, if your child becomes ill, our staff will follow these procedures:

1. Contact a parent/guardian to come pick-up the child. If you cannot be located, a staff will contact an alternate pick-up person to take the child home.
2. A record of any notification of illness or injury will be maintained by Preschool staff.
3. The child will be provided with a quiet and clean resting place, under the supervision of program staff, while waiting for pick up.

### **What to Do When Sick**

The management of COVID-19 in the community is now more aligned with the management of other respiratory infections.

- Children can attend preschool if their symptoms are consistent with a previously diagnosed health condition (e.g., seasonal allergies) or symptoms have improved enough to where they feel well enough to return to regular activities and their fever has resolved without the use of fever-reducing medication (e.g. acetaminophen, ibuprofen).
- The When to Get Tested for COVID-19 resource or the B.C. Self-Assessment Tool provides more information on whether they should get a test for COVID-19. If you are unsure or concerned about their symptoms, connect with your health care provider or call 8-1-1.
- Children in the preschool program who test positive for COVID-19 should follow the guidance on the BCCDC website as to how long they should self-isolate. They can return to preschool when they no longer need to self-isolate.

### **What to do if Exposed to COVID-19**

Children who have been exposed to COVID-19, should monitor for symptoms of COVID-19. As long as they do not have any symptoms, they are not required to stay home and may continue to attend preschool. If they develop symptoms of COVID-19 or test positive for COVID-19. Connect with your health care provider or call 8-1-1 for further instructions.

### **Hand Hygiene**

Hand washing with plain soap and water or using an effective hand sanitizer reduces the spread of illness. Esquimalt preschool staff will provide regular opportunities for staff and children to wash hands with plain soap and water for at least 20 seconds or use alcohol-based hand rub containing at least 60% alcohol. Staff will ensure children practice proper hand hygiene before eating and after using the toilet.

### **Non-Medical Masks & Face Coverings (Masks)**

Face coverings are no longer required by public health. Adults and children over two years old may wear a mask based on personal or family choice. Staff will supervise and support children to ensure safe and proper use of masks if a child or their family chooses to wear a mask. The choice of staff, families, or children to choose whether they practice additional personal prevention measures will be supported and treated with respect. Information on non-medical masks is available from BCCDC. Masks may be required for people returning from international travel. Visit the Government of Canada's website for more information.

### **BC Centre for Disease Control**

COVID-19 will continue to circulate in our population. However, with high immunization rates in B.C., as well as emerging treatment options for people at higher risk of serious disease, we can transition to managing COVID-19 as we do other serious respiratory infections in the community. Public health continues to review emerging evidence and monitor cases and transmission trends of COVID-19 to determine if actions should be taken to prevent COVID-19.

### **Medication**

If your child requires the administration of medication during program time, it is the parent/guardian responsibility to deliver any medication and administration instructions directly to the head teacher. A "Permission to Administer Medication Form" must be completed.

### **Epi-Pens & Inhalers**

A completed Emergency Medication Care Plan must be submitted with this application. The child is responsible for carrying the epi-pen/inhaler at all times. Children will not be accepted into the program with an expired epi-pen/inhaler.

### **Clothing Requirements and Lost/Found**

Children will be outdoors every day. Ensure your child is appropriately dressed or supplied with indoor/outdoor clothing, a jacket is required from Oct to April. The Lost & Found table is located at the entrance to the Preschool room, please check for your child's belongings regularly.

### **Items from Home**

Children are asked to keep their personal toys at home. In our experience toys get lost or could cause conflicts amongst the children over sharing these items. There may be an occasion in which the teachers will ask children to share a toy from home, please encourage children to bring in a toy just on those occasions. If a toy does make its way into their bags, we will ask that it please stay in their cubby area. The Preschool Program is not responsible for lost, stolen, or broken toys and articles that are brought to program.

### **Pick Up Procedure**

When a child is picked up the parent/guardian/alternate is responsible for signing out and ensuring a staff member is made aware that the child is being picked-up from the program. Staff will require **photo identification** from anyone picking up a child whom they have not previously met. This includes parents, older siblings, babysitters or anyone else on the authorized pick up list.

### **Late Pick Up**

If the parent/guardian has not picked up the child within 10 minutes of the end of the program, staff will try to contact the parent/guardian. If unable to make contact, staff will make all attempts to contact an alternative contact person to pick-up the child. If all authorized adults are unavailable and the parent/guardian has not contacted the Preschool program within 30 minutes of the end of the program, preschool staff will notify the Ministry for Children and Family Development. If late pick up is an ongoing problem, childcare service may be terminated.

### **Unauthorized Pick Up**

Children will not be permitted to leave the Centre with anyone who is not named as a responsible alternate person on the pick-up list unless Preschool staff have **expressed permission in writing from the legal guardian** to release the child into their custody. If an unauthorized person arrives to pick up a child, the child will not be released. Preschool staff will speak to the individual and explain the policy that children will not be released without written authorization from the parent/guardian. If difficulties arise, all reasonable efforts will be made to ensure the safety of the child and the other children (CCLR 50). If necessary, the police will be called for assistance.

### **Alleged Impaired Pick Up**

It is Preschool staff responsibility, to the extent it is possible, **not to release a child to an authorized person who is unable to adequately care for a child**. If Preschool staff believes a child to be at risk and feel comfortable in approaching the individual, they will offer to call an authorized alternate to pick up the person and child, or offer to call a taxi to pick them both up. If the person is driving a vehicle, Preschool staff will explain that they are obligated to ensure the safety and well-being of the

child. If the presumed impaired person chooses to get in the car with or without the child, Preschool staff will immediately notify the police and provide a description of the car and geographic vicinity. If Preschool staff believe the child is in need of protection, they will call the Ministry for Children and Family Development.

### **Custody & Related Court Orders**

If a custody or court order exists, a copy of the order needs to be placed in the child's file. The parent/guardian is responsible for providing accurate and up to date information concerning legal guardianship of the child. Without a custody or court order on file, Preschool staff cannot deny access to the non-enrolling parent. If the non-enrolling parent is not listed on the authorized pick up list, the policy on unauthorized persons will be implemented.

### **Behavioural Guidance Policy**

Our environment helps foster social development and self-esteem. Our educators work collaboratively as a team to encourage appropriate behaviours. When a child is struggling with a behavior our educators address the behaviour in a calm and personal manner. Patience and repetition of expectations will help support the child in finding a positive way of dealing with the situation. Allowing children to experience natural consequences helps them learn problem solving and experience cause and effect.

The Esquimalt Preschool Program will however also follow the recommended discipline guidelines as set out by the Island Health. The purpose of guidance and discipline in this centre is to provide a safe and healthy environment in which every child can feel safe, respected and valued.

1. Guidance and discipline is consistent and is based on individual needs and development. We strive to promote self-discipline by using positive reinforcement techniques to help the child control or change his/her behaviour.
2. The techniques we use include verbal reminders such as "walking feet" or "inside voices"; separating two or more peers; removal from the activity or room; practice expected behaviour such as walking quietly in the hall; time with a different adult in another room; loss of an item, activity, or privilege; time out from the activity; physical guidance such as leading a child to their chair to clean up after snack; and physical holding which is used only when a child's safety is in immediate danger, such as stepping into the road.
3. Children will never be subjected to harsh treatment of any kind such as shaking, striking or spanking. There will be no harsh or belittling language used at any time. Physical punishment or withholding food will never be used as a means of discipline.
4. The following behaviours are not acceptable in the Preschool Program and all incidents will be documented with a Behaviour Incident Report: physical aggression, self injury, disruption/tantrums, inappropriate language, verbal aggression, non-compliance, social withdrawal/isolation, running away, property damage, unsafe behaviours. Parents will be notified by phone or at pick up time. Parents may request a copy of the report.
5. If a child/parent/guardian/alternate does not respect the Preschool Expectations, an incident report will be written and the procedure will be as follows: non-applicable, talk with child, contact

family, parent meeting, arrange behavioural consultation, reduce hours in program, early pick-up, and termination of care.

6. The Preschool program reserves the right to suspend or terminate childcare service at any time, including when:
  1. An incident is considered severe, such as threatening to injure another person, purposefully injuring another peer or adult, and running away from the programs site or boundaries and refusing to return.
  2. The Preschool program has implemented all reasonable program modifications and strategies to support the child, and the frequency and level of challenging behaviour continues to escalate.

### **Children Requiring Extra Support**

We are a facility that would like to adapt our program for children with special needs (including physical, mental, emotional, behavioural, developmental, or health needs). Parents/Guardians of children with known special needs must disclose and discuss their child's needs with the Recreation Programmer prior to enrollment. **Failure to do so may result in termination of services.**

If a child has special needs, or subsequently develops special needs, Esquimalt Preschool, in consultation with the parents, will develop an Individual Care Plan ("ICP") for the child that ensures the health, safety and well-being of the child, other children, and staff.

If Esquimalt Preschool, in consulting with the parents in making the ICP or after implementing the ICP, determines that the child's needs cannot be met in light of the Centre's obligations to all children in the program and its staff, Esquimalt Preschool may decline to enroll or continue the enrolment of the child.

**\*\* Special needs include children with OR without a diagnoses, but are experiencing difficulty with emotional, behavioural, developmental, or health needs.**
