Puddle Jumpers Nature Preschool Program Parent Handbook

School Year Program 2022/2023

Welcome to Esquimalt Recreation Centre Puddle Jumpers Nature Preschool Program! We are pleased you are joining us and we have many opportunities for your child(ren). We are a non-licensed program with 14 spaces for children **3 years to 5 years**. Children must be 3 at the **start** of the program.

Our Goals

- To provide a safe and nurturing environment for children 3-5years.
- To provide a healthy learning atmosphere where each child can feel safe, respected, and valued while meeting their social and emotional developmental needs
- To work with each child’s parents/guardians and with child & family related professionals to provide a holistic approach in meeting the child’s needs
- To encourage each child to develop to his or her full potential

Safety and risk management is paramount in Nature Preschool. To ensure every child is prepared for all the opportunities Nature Preschool has to offer, here is a little check list to determine this is the right program for your child.

- Your child will listen and follow instructions from non-parental figures like teachers and instructors. (Will not run away)
- Your child can climb on rocks or low tree branches in rubber boots or with a backpack on.
- Experience in a group play setting without tendencies to wander off, or run away.
- Your child enjoys outdoor play regardless of the weather.
- Toilet trained and is not afraid of auto-flush toilets, outdoor toilets or taking “nature pees”.

We wish to recognize and acknowledge the Songhees & Esquimalt Nations on whose traditional territory we live, we learn, and we do our work.

School Year Program

Puddle Jumpers Nature Preschool

This program focuses on learning through outdoor play with teachers acting as facilitators to support and build on children's interests. This program provides opportunities for children to share ideas, build new friendships and grow into amazing little people! Daily activities include exploring, songs, stories and so much more! Drop off & Pick Up will be at Saxe Point Park everyday.

NOTE: Puddle Jumpers will be held indoors at the Recreation Centre if there is thunder, lightening or if there is an active wind warning.

FIRST WEEK OF PRESCHOOL

The first day of preschool will be from 9:30am -11:30am at Esquimalt Recreation Centre. This will be an introductory day for parents to remain with their children. During this visit, Parents will be given important information about what to pack and how to dress for outdoor Nature Preschool. It is also a great time to meet some of the other parents and ask any questions you may have of your instructors.

Preschool Readiness:

When you are determining if your child is ready for preschool please consider these factors:

1. Can my child happily say good bye with a quick hug and kiss at drop off?
2. Is my child still getting sleepy late in the morning or do they still take a morning nap?
3. Is my child able to go to the bathroom without help of wiping, washing hands pulling up and down pants?
4. Is my child overly emotional or struggle with transitions?

Transitions:

Coming to Preschool is a big step in your child's development and the first steps towards more independence. As a caregiver please work towards quick good byes at drop off. This could be a little hug or kiss and a wave while the parents are at the park signing in. This needs to be initiated by the parent and not the preschool teachers.

Importance of Routines:

Children need predictability and routine. It helps them to feel stable, safe and in control. Setting a routine before preschool is just as important as the Preschool routine. This includes a good night's sleep, and a morning routine at home before school so that they are physically and emotionally ready for the day at preschool.

Bathroom & Toileting:

All children **must** be toilet trained by the start of preschool. We understand that accidents happen, please ensure your child has a change of clothes packed each day in their back packs. We would like to suggest taking your child to Saxe Point Park and visiting the bathrooms there to ensure your child becomes familiar and comfortable with them. It is important to note that staff can not help with actual toileting like wiping. Consider preparing your children to be able

to pull pants up and down, wipe, flush toilet and wash hands. These are easy things to practice at home!

PRESCHOOL EXPECTATIONS:

Please find below the “Preschool Expectations.” These are guidelines for expected behaviour while participating in our programs. Please take the time to read the rules and discuss them with your child. We also value that children need to take responsibility and be held accountable for their behaviour.

At Preschool our goal/expectation for participants, staff, and parents are:

- 1. Stay Safe:** be aware of your surroundings and how your actions impact those around you and yourself (e.g., have a calm body, keep hands & feet to ourselves, wear weather appropriate clothing, listen to our teachers and stay with the group).
- 2. Be Respectful:** to your friends, teachers, the environment and yourselves (e.g. listen to others, problem solve with words, talk calmly, take turns, share, look at nature, take a break from the group when you need to).
- 3. Have Fun:** have a positive attitude and enjoy the activities available to you (e.g. play safe, include your friends, suggest activities to the teachers, be creative).
- 4. Try Our Best:** try new activities and problem solving before asking a teacher for help (e.g. ask friends for help, be patient, encourage friends in a new activity, keep your body calm with 3 deep breaths).

Snacks & Drinks:

1. Please bring a healthy snack and water bottle to program each day.
2. Sugary snacks may be provided on special occasions, such as birthdays and holidays. **Parents/guardians please do not to send candy, chocolate bars, soft drinks, gum, etc.,** for their child to eat during the program.
3. We will never force children to consume any food or drink they do not want.
4. Safe drinking water will be available to children from the bathrooms at Saxe Point Park. We ask that you do **NOT** send any juice boxes, water only please.
5. Snacks are best sent in separate containers, as opposed to “bento box” style, with everything together.
6. We are flexible about snack time. Children can sit down to eat and drink whenever they need to.

Clothing & Items Needed Daily:

Please dress appropriately for the weather. Expect children to get **wet & dirty!** Here is a list for items needed for the year. Many families have great luck at thrift and consignment stores finding lightly used outside gear.

Outside:

- Layers – we recommend wearing layers of clothing so children can adjust as needed.
- Inner Layers - of fleece, or polypropylene, or natural fabrics such as wool or silk.
The fabric should wick moisture away from the skin and provide warmth & breathability.
- Middle layer of insulation made of wool or fleece.
- Winter or Rain coat
- An appropriately sized backpack with a front chest clip.
- Wind or Rain pants (pants not a muddy buddy if possible because it makes nature pees difficult)
- Warm socks, wool or fleece or other thick socks to help keep feet warm + an extra pair
- Rubber boots (no laces)
- Winter hat
- 3 pairs or more of gloves (1 to wear, 1-2 for the bag)
- Full length base layer pants – long johns
- Waterbottle
- Healthy Snack
- Sun hat (that has a peak to provide shade for the face)-spring/summer/fall
- Sunscreen – please put this on before you come, small bottle for reapplying (**we will not share sunscreen due to allergies**)

****Every child needs in their bag: a full change of clothes plus extra socks and sweater**
Classes may be held inside on day's with extreme weather conditions (strong winds, snowstorm, forest fire smoke lowering air quality, etc). If class is to be held in doors parent/guardians will be given as much notice as possible. If class is going to run indoors, please send your child with:

- Indoor shoes – please no dress shoes must be able to run safely in them
- One complete change of clothes (labelled)
- Healthy snack
- Water bottle

***A Typical Day**

9:15-9:30- Drop Off at Saxe Point Park, welcome, with games & activities

9:30-10:30 – Child led-discovery based activities, exploration, games and more!

10:30-11:00 –Snacks

11:15-11:45- Activities, crafts, child-lead activities

11:45 – Farewell, pick up at Saxe Point Park

*Schedule is subject to change.

NOTE: Puddle Jumpers will be held indoors at the Recreation Centre if there is thunder, lightening or if there is an active wind warning.

SCHOOL CLOSURES

Statutory Holidays

The Puddle Jumpers Programs are cancelled on statutory holidays.

Other School Closures

In the event of facility closures due to strikes, weather or other imposed causes outside the control of Esquimalt Parks & Recreation, reimbursement of fees will apply if the program does not operate. If the Elementary Schools close (snow days) then we will also be closed. Refunds would then be issued.

PROVIDING A SAFE ENVIRONMENT

Staffing Levels

The staff to child ratio is 1:7, with a maximum of 14 participants. One of our Preschool staff hold an ECE Diploma and all staff must meet the following criteria:

- Experience working with children 3-5 years
- First Aid & CPR C certification
- 25 hours of training in Child Development & Behaviour Management
- Criminal Record Check
- Esquimalt Child Protection Training & Emergency Procedures

Illness

Esquimalt Parks & Recreation is committed to providing a safe and healthy environment. If your child is sick or displays the following symptoms, we ask that you make alternate arrangements: a persistent fever (38.3c or higher), unexplainable rashes, vomiting, diarrhea, cough/sore throat/runny nose (with listlessness), or is too ill to enjoy Puddle Jumpers activities.

Program staff reserves the right to refuse attendance of a child who appears to be too ill to participate or who appears to have a contagious condition.

During the program, if your child becomes ill, our staff will follow these procedures:

1. Contact a parent/guardian to come pick-up the child. If you cannot be located, a staff will contact an alternate pick-up person to take the child home.

2. A record of any notification of illness or injury will be maintained by Puddle Jumpers staff.
3. The child will be provided with a quiet and clean resting place, under the supervision of program staff, while waiting for pick up.

What to Do When Sick

The management of COVID-19 in the community is now more aligned with the management of other respiratory infections.

- Children can attend Puddle Jumpers if their symptoms are consistent with a previously diagnosed health condition (e.g., seasonal allergies) or symptoms have improved enough to where they feel well enough to return to regular activities and their fever has resolved without the use of fever-reducing medication (e.g. acetaminophen, ibuprofen).
- The When to Get Tested for COVID-19 resource or the B.C. Self-Assessment Tool provides more information on whether they should get a test for COVID-19. If you are unsure or concerned about their symptoms, connect with your health care provider or call 8-1-1.
- Children in the Puddle Jumpers program who test positive for COVID-19 should follow the guidance on the BCCDC website as to how long they should self-isolate. They can return to preschool when they no longer need to self-isolate.

What to do if Exposed to COVID-19

Children who have been exposed to COVID-19, should monitor for symptoms of COVID-19. As long as they do not have any symptoms, they are not required to stay home and may continue to attend Puddle Jumpers. If they develop symptoms of COVID-19 or test positive for COVID-19. Connect with your health care provider or call 8-1-1 for further instructions.

Hand Hygiene

Hand washing with plain soap and water or using an effective hand sanitizer reduces the spread of illness. Puddle Jumpers staff will provide regular opportunities for staff and children to wash hands with plain soap and water for at least 20 seconds or use alcohol-based hand rub containing at least 60% alcohol. Staff will ensure children practice proper hand hygiene before eating and after using the toilet.

Non-Medical Masks & Face Coverings (Masks)

Face coverings are no longer required by public health. Adults and children over two years old may wear a mask based on personal or family choice. Staff will supervise and support children to ensure safe and proper use of masks if a child or their family chooses to wear a mask. The

choice of staff, families, or children to choose whether they practice additional personal prevention measures will be supported and treated with respect. Information on non-medical masks is available from BCCDC. Masks may be required for people returning from international travel. Visit the Government of Canada's website for more information.

BC Centre for Disease Control

COVID-19 will continue to circulate in our population. However, with high immunization rates in B.C., as well as emerging treatment options for people at higher risk of serious disease, we can transition to managing COVID-19 as we do other serious respiratory infections in the community. Public health continues to review emerging evidence and monitor cases and transmission trends of COVID-19 to determine if actions should be taken to prevent COVID-19.

Accidents

In case of an emergency, the staff will contact parents/guardians. If the parents/guardian cannot be located, the staff will attempt to locate an alternate contact to take the child to the doctor/hospital/home. If the incident is serious and requires calling Police/Fire/Ambulance they will be called first, the child's health and safety will be the priority. We will then notify parents/alternates as soon as reasonably possible.

Emergency Situations

Puddle Jumpers Staff are trained to follow Esquimalt Parks & Recreation Emergency Procedures during emergency situations such as fire and earthquake. Please note that programs are equipped with cell phones and staff will attempt to contact parents/guardians during/after an emergency situation.

Missing Children Policy

If a child is missing, program staff will immediately follow the procedures listed below:

- 1) Speak with staff and children to find where child was last seen playing or going.
- 2) Thoroughly check the location and surrounding area.
- 3) Gather the entire group together and do a head count and role call, the group stays together until the child is located.
- 4) Head count again and seek any information from the group (ie: gone to the bathroom, walked away crying, left with parent/adult).
- 5) Repeat 1-4. If still not found, call 911 (police) and clearly say:
 - a) This is (your name) with the Puddle Jumpers Nature Preschool Program.
 - b) We are (location).
 - c) A child is missing (give description of child and steps taken to search for child)
 - d) The cell number is: (number)
 - e) Follow directions of operator.
- 6) Call Supervisor.
- 7) The program supervisor will contact the parents.

Absence Notification

If your child will be absent from the Puddle Jumpers Program:

- General illness: no need to contact program staff.
- Communicable Disease, such as Chicken Pox or Fifth Disease: please call the Recreation Programmer at 250-412-8512.
- Extended Vacation: if your child will be absent for more than one week, please notify Preschool staff.

Pick Up Procedure

When a child is picked up the parent/guardian/alternate is responsible for signing out and ensuring a staff member is made aware that the child is being picked-up from the program. Staff will require **photo identification** from anyone picking up a child whom they have not previously met. This includes parents, older siblings, babysitters or anyone else on the authorized pick up list. Changes/additions to the child's pick up list are required in writing by the child's parent/guardian. This "writing" can be in the form of an email to the Recreation Supervisor at seth.jerome@esquimalt.ca.

Late Pick Up

If the parent/guardian has not picked up the child within 10 minutes of the end of the program, staff will try to contact the parent/guardian. If unable to make contact, staff will make all attempts to contact an alternative contact person to pick-up the child. If all authorized adults are unavailable and the parent/guardian has not contacted the Creative Play program within 30 minutes of the end of the program, preschool staff will notify the Ministry for Children and Family Development. If late pick up is an ongoing problem, childcare service may be terminated.

Unauthorized Pick Up

Children will not be permitted to leave the Program with anyone who is not named as a responsible alternate person on the pick-up list unless Puddle Jumpers staff have **expressed permission in writing from the legal guardian** to release the child into their custody. If an unauthorized person arrives to pick up a child, the child will not be released. Preschool staff will speak to the individual and explain the policy that children will not be released without written authorization from the parent/guardian. If difficulties arise, all reasonable efforts will be made to ensure the safety of the child and the other children. If necessary, the police will be called for assistance.

Alleged Impaired Pick Up

It is Puddle Jumpers staff responsibility, to the extent it is possible, **not to release a child to an authorized person who is unable to adequately care for a child**. If Puddle Jumpers staff believes a child to be at risk and feel comfortable in approaching the individual, they will offer to call an authorized alternate to pick up the person and child, or offer to call a taxi to pick them both up. If the person is driving a vehicle, staff will explain that they are obligated to ensure the safety and well-

being of the child. If the presumed impaired person chooses to get in the car with or without the child, staff will immediately notify the police and provide a description of the car and geographic vicinity. If staff believe the child is in need of protection, they will call the Ministry for Children and Family Development.

Custody And Related Court Orders

If a custody or court order exists, a copy of the order needs to be placed in the child's file. The parent/guardian is responsible for providing accurate and up to date information concerning legal guardianship of the child. Without a custody or court order on file, staff cannot deny access to the non-enrolling parent. If the non-enrolling parent is not listed on the authorized pick up list, the policy on unauthorized persons will be implemented.

Behavioural Guidance Policy

The Puddle Jumpers Program follows the recommended discipline guidelines as set out by the Island Health Authority. The purpose of guidance and discipline in this program is to provide a safe and healthy environment in which each child can feel safe, respected and valued.

1. Discipline and guidance is consistent and is based on individual needs and development. We strive to promote self-discipline by using positive reinforcement techniques to help the child control or change his/her behaviour.
2. The techniques we use include verbal reminders such as "walking feet" or "respectful voices"; separating two or more peers; removal from the activity or space; practice expected behaviour such as walking with a partner; time with a different educator in another space; loss of an item, activity, or privilege; time out from the activity; physical guidance such as leading a child to their space to clean up after snack; and physical holding which is used only when a child's safety is in immediate danger, such as stepping into the road.
3. Children will never be subjected to harsh treatment of any kind such as shaking, striking or spanking. There will be no harsh or belittling language used at any time. Physical punishment or withholding food will never be used as a means of discipline.
4. The following behaviours are not acceptable in the Puddle Jumpers Program and all incidents will be documented with a Behaviour Incident Report: physical aggression, self injury, disruption/tantrums, inappropriate language, verbal aggression, non-compliance, social withdrawal/isolation, running away, property damage, unsafe behaviours. Parents will be notified by phone or at pick up time. Parents may request a copy of the report.
5. If a child/parent/guardian/alternate does not respect the Puddle Jumpers Expectations, an incident report will be written and the procedure will be as follows: non-applicable, talk with child, contact family, parent meeting, arrange behavioural consultation, reduce hours in program, early pick-up, and termination of care.
6. The Puddle Jumpers program reserves the right to suspend or terminate childcare service at any time, including when:

1. an incident is considered severe, such as threatening to injure another person, purposefully injuring another peer or adult, and running away from the programs site or boundaries and refusing to return.
2. the Puddle Jumpers program has implemented all reasonable program modifications and strategies to support the child, and the frequency and level of challenging behaviour continues to escalate.

Children Requiring Extra Support

We are a facility that strives for fully inclusive programming for all children and children with special needs (including physical, mental, emotional, behavioural, developmental, or health needs). Parents/Guardians of children with known special needs must disclose and discuss their child's needs with the Recreation Supervisor prior to enrollment. **Failure to do so may result in termination of services.**

If a child has special needs, or subsequently develops special needs, Puddle Jumpers, in consultation with the parents, will develop an Individual Care Plan ("ICP") for the child that ensures the health, safety and well-being of the child, other children, and staff.

If Puddle Jumpers, in consulting with the parents in making the ICP or after implementing the ICP, determines that the child's needs cannot be met in light of the centre's obligations to all children in the program and its staff, Puddle Jumpers may decline to enroll or continue the enrolment of the child.

** Special needs includes children with or without a diagnoses but are experiencing difficulty with emotional, behavioural, developmental, or health needs.

PARENTAL RESPONSIBILITIES

Attendance

To prevent any "lost child" concerns it is imperative that parents sign their child in and out of program each day.

Registration Forms

The Puddle Jumpers Program requires a current registration form be on file for every child registered in the care program. Parents/Guardians are required to fill out a new registration form each year. All sections of the form MUST be completed in full. As this information is extremely important, please keep us informed regarding any updates throughout the school year.

Medication

If your child requires the administration of medication during program time, it is the parent/guardian responsibility to deliver any medication and administration instructions directly to the head teacher. A Permission to Administer Medication Form must be completed.

Epi-Pens & Inhalers

A completed Emergency Medication Care Plan must be submitted with this application. The child is responsible for carrying the epi-pen/inhaler at all times. Children will not be accepted into the program with an expired epi-pen/inhaler. In the case that epi-pen/inhaler is forgotten, child must accompany parent while it is being retrieved.

Clothing Requirements and Lost/Found

Please ensure your child is appropriately dressed or supplied with outdoor clothing. The Lost & Found will be brought back to the Reception Desk at Esquimalt Recreation Centre where it will be kept for only 2 weeks and then is donated to charity.

Items from Home

We request that children DO NOT bring special items from home.

The Puddle Jumpers Program is not responsible for lost, stolen, or broken toys and articles that are brought to program.

PAYMENT & FEE INFORMATION

Fee Schedule

Tue/Thu Class	9:15-11:45am	\$16/day for 10 months
Late Pick Up		\$5 for every 5 minutes
NSF Payments		\$20
Registration Processing Fee (School Year Program)		\$30

Please keep all receipts for income tax purposes and for proof of payment in case problems occur (i.e. computer/human error etc.).

Registration Processing Fee

A NON-REFUNDABLE Registration Processing Fee of \$30 per family is required upon registration.

Monthly Payments

School Year Program

Post-dated payments for each month of the school year are required upon registration, by completing the Pre-Authorized Debit Plan Agreement Form.

Dishonored Payment

Payments returned NSF will be subject to a \$20 NSF fee. Replacement of the payment will be due immediately by cash, certified cheque or debit/credit card. No more than two NSF payments will be allowed. If two payments have been returned NSF, all subsequent payments must be made by an alternative payment method.

Delinquent Account

If an account is more than two months or \$400 in arrears, you will be notified by letter and the following process will take place:

- 50% of the total balance is due within two weeks from the date of the letter. Failure to do so will result in refusal of childcare service.
- A payment plan for the remaining balance will need to be discussed with Seth Jerome 250-412-8506 immediately. Failure to do so will result in refusal of childcare service.
- If payment is not received, no future payment plan made, or there is no response from the parent/guardian acknowledging the debt, childcare service will stop immediately. The account will be forwarded to the finance department of the Township of Esquimalt for further collection proceedings.
- All outstanding fees must be paid in full before the child(ren)/siblings may be placed on the waitlist or permitted to re-join the program.

Withdrawal

To withdraw from the program, 30 days notice must be provided in **writing** to the Recreation Programmer. Verbal notification to staff is not sufficient notice.

Waitlist Policy

If a space becomes available for your child you will be emailed the information and you will have 72 hours to respond before we remove your child's name from the waitlist.

Refunds

Once a request to withdraw from Puddle Jumpers Program has been received, the next months fees will be prorated based on the 30 days notice and future post-dated payments will be cancelled.

No refunds or credits are given for days absent due to illness, appointments, extra curricular activities, visiting friends, vacations or missed field trips. In the case of extended illness, a medical note must be provided and refunds or credits will be considered on an individual basis.

Late Pick-up Fee

Pick up time for program participants is 11:45am for all Puddle Jumpers programs. Please note that a late fee charge applies to parents who pick up their child 10 minutes after the end of program. The late fee is \$5 for every 5 minutes. Late fee payment will be processed using the payment method indicated on the Pre-Authorized Debit Plan portion of your registration form.
