
Esquimalt Public Safety Building
500 Park Place, Esquimalt BC
Project #121-021

NOTICE OF TENDER - TP 4 Abatement & Demolition

Kinetic Construction Ltd., Construction Manager, will be receiving prices from qualified bidders for this project. Trade Packages included:

TP 4.1 Abatement & Demolition

The Town of Esquimalt will be constructing a new Public Safety Building on the site of their existing facility at 500 Park Place. The Police and Fire Department are currently in the process of moving into temporary facilities where they will serve the community over the next 2 years. Prior to the start of construction, the old Fire & Police facility at 500 Park Place will be demolished. Kinetic Construction Ltd is the construction manager for the Township of Esquimalt and will be managing trade tenders and site management. Trade contracts will be a CCDC 17 signed directly with the Township of Esquimalt. Work will start the week of July 18, 2022, and is anticipated to be complete late August 2022.

Tender documents are available by requesting a link
