

REQUEST FOR PROPOSAL:

INTEGRATED RESOURCE MANAGEMENT BUSINESS CASE TO MEET REGULATORY REQUIREMENTS

RFP NO. ENG 21-04

The Township of Esquimalt is inviting qualified consultants to submit proposals to assist in the production of a business case to allow the Township to seek an amendment to the Capital Regional District's (CRD) Solid Waste Master Plan (SWMP) and start the process of obtaining a Provincial operating permit for an integrated resource management (IRM) system. The business case would examine three solid waste streams and how to utilize gasification for the management of these streams.
