
Esquimalt Public Safety Building
500 Park Place, Esquimalt BC
Project #121-021

NOTICE OF TENDER - TP 5 – Esquimalt Public Safety Building

Kinetic Construction Ltd., Construction Manager, will be receiving prices from qualified bidders for this project. Trade Packages included:

TP 5.1 Civil & Excavation (including blasting and bank stabilization)

The Town of Esquimalt will be constructing a new Public Safety Building on the site of their existing facility at **500 Park Place**. The Police and Fire Department have moved into temporary facilities where they will serve the community over the next 2 years. Demolition of the existing structure is underway and will be complete by the end of October 2022.

Kinetic Construction Ltd is the construction manager for this project. Trade contracts for TP5 will be a CCA-1 signed with Kinetic Construction. Excavation scope will commence late 2022.

A **Non-Mandatory Site Visit** is scheduled for **Friday, October 14th @ 10:00 am**.
Meet at the corner of Park Place @ Esquimalt Road.

PPE is absolutely required and access will not be allowed to the site without appropriate footwear, Hi-Vis Vest and Hard Hat. The existing building is being demolished and work will be happening during the site visit.

Attendees are asked not to attend if they have any symptoms of illness.

Please refer to the Instructions to Bidders for specific details and terms of the tender, and addenda for any changes.

Tender Closing Date: Thursday October 27th @ 3:00pm

Tender documents will be provided to those trades that indicate their intention to bid, by emailing tenders@kineticconstruction.com (attention Jay Tottle).

Provide your company name, contact, phone number in your intent to bid.
