That was fabulous afternoon; so glad to see Molly Lambrick, a good friend Joan Phillips and late Uncle Walt. The cake was also really delish. The song brought tears and I wished that my Mum could have heard it while still alive; she would have been proud and would sung along. (Is a CD of it or will it be posted on You Tube?)

Barb, you and your organizers did a stellar job of putting this on. Well done to all those giving congrats, the volunteers for showing up and for the happy crowd who came out to enjoy.

Thank you to EVERYONE for making this such a special day - generous sponsors, many willing volunteers, municipal staff, special guests, residents, families, visitors. KUDOS all round. What a great COMMUNITY DAY! I watched residents warmly greeting one another and saw families and extended families enjoying themselves. The Kids' Zone was so popular! Esquimalt Gorge Park with the newly completed renovations of the Japanese Gardens was spectacular. The GREEN THEME was brilliant and the event was the cleanest I have ever attended. THANKS ALL!!
