
ESQUIMALT VILLAGE DEVELOPMENT SITE

REQUEST FOR PROPOSALS

Announcing an opportunity to acquire and develop an attractive mixed use, high density, development site in the heart of the oceanfront community of Esquimalt.

The Corporation of the Township of Esquimalt has assembled a development site of about 87,000 square feet for a mixed use, high density, urban development project. The Township wants the development project to help strengthen the Town Centre and catalyze further development in the area. The development project is envisioned to include residential, retail, and office space, a new library, and high quality, urban character open spaces.

The Township has issued a **Request For Proposals (RFP)** which is available for downloading at BC Bid at www.bcbid.gov.bc.ca (click on "Browse for Bid Opportunities or Bid Results", then "Browse Opportunities by Organization", and search for "Corporation of the Township of Esquimalt" postings).

**Proposals are due by 1:00pm on
Thursday, December 10, 2015**
