

2019 Strategic Plan

Background

Mayor and Council met November 30 and December 1, 2018 and January 12, 2019 to develop and identify key strategic priorities and goals to be undertaken during the term of Council 2019 – 2023.

The Chief Administrative Officer and senior leadership group then used the draft strategic priorities and goals in a separate workshop to update and develop operational strategies and work plans to support the direction set by Council. The operational strategies were developed with consideration to capacity and resource requirements.

The draft Strategic Priorities and Goals including supporting Operational Strategies were then considered at a Special Committee of the Whole on March 11, 2019. After some deliberation and direction for minor updates, the Committee endorsed the draft priorities, goals and strategies. The Committee then directed staff to distribute the documents to all Advisory Committees and post to the Township website for comment and input.

Comments and input will be open until April 3, 2019 at which time the information will then be reviewed by staff and recommendations for action will be presented for consideration at the April 15, 2019 regular Committee of the Whole meeting. The meeting will be held in the Municipal Hall Council Chamber at 7:00pm. There will be additional opportunity for public input at this public meeting.
