

The Event Permit Committee is comprised of representatives from the Police and Fire departments, Community Services, BC Transit, Public Works and the Parks and Recreation department. The committee will review all applications submitted. It may be necessary to have the Event Permit Committee review applications in which case, event organizers may be invited to attend permit review meetings. Some timelines to note:

- Block Party approvals require a minimum of **4 weeks advance notice** if road closures are requested.
- Repeat annual events with no street closures require a **minimum of 8 weeks notice**.
- Major events and all those requesting a street closure require a **minimum of 4 months advance notice** in order to ensure adequate time for review and availability of police resources.
- Any event that is new, unusually large, or potentially controversial, may require Municipal Council approval. The organizer should not advertise the event or make financial commitments before obtaining approval from the Township. The review process for new events may require the organizer to consult the community/residents affected. Selection of an alternate site may be necessary.
- Event organizers shall re-apply for all events on an annual basis.

### **Booking Your Event**

**Note:** *Applicable only to those events where Council approval is not required.*

**STEP 1:** Submit your permit application to the Esquimalt Parks and Recreation Facility Booking Clerk to ensure all requirements are available.

**Email:** [Bookings@esquimalt.ca](mailto:Bookings@esquimalt.ca)

**In Person:** Esquimalt Rec Centre or Archie Browning Sports Centre

**STEP 2:** Depending on the complexity of the event, or problems associated with an event in the past, stipulations may be placed on your permit. You will hear back from the Township with one of the following:

- Permit approval
- Any Municipal requirements, changes or missing information that is required for your permit to be approved
- Permit Denial

**Note:** The process of reviewing applications for permits is coordinated by the Community Development Programmer with assistance from the Facility Booking Clerk. As such, the Programmer will act as a liaison between the event coordinator and other municipal departments and government agencies.

**STEP 3:** Once all required information and approvals have been received, a contract will be issued to confirm your event. This document outlines all event particulars and requires a signature. Bookings will be held for one week from the time of the issuance of a contract at which time payment is required. If payment is not received, your permit will be cancelled and the space will no longer be reserved. We will not follow up with applicants if contracts and/or payment is not received by the due date.

Please complete this application form for any park bookings or event, including Block Parties, held within the Township of Esquimalt. It is recommended that applicants read the Application Process document before filling out and signing the Event Permit Application Form.
