## STAFF REPORT

**DATE:** October 26, 2009 **REPORT NO.**  
**TO:** Scott Hartman, Director of Parks and Recreation Services  
**FROM:** Jeff Byron, Manager of Recreation Services  
**SUBJECT:** Regional Recreation Pass

### RECOMMENDATIONS

1. That the Parks and Recreation Advisory Committee continue to support the Annual Regional Recreation Pass.

### BACKGROUND

In October of 2008, the Parks & Recreation Commission supported the Township entering into an intermunicipal agreement to offer an Adult Annual Regional Pass as a pilot project. In partnership with Esquimalt, Recreation Oak Bay, Sooke Parks & Recreation, Panorama Recreation, Saanich Parks & Recreation, Westshore Recreation and the City of Victoria all offered the pass with very positive results.

In the first eight months of sales, patrons used their regional pass at participating facilities 17,278 times. Here in Esquimalt, 23 people purchased a Regional Pass as their very first municipal Recreation Pass, and an additional 37 people upgraded from their existing or per-visit pass. New revenue derived from pass sales in Esquimalt equalled \$17,313.50

The results from each community are summarized below:

Regional Pass Sales - New Revenue vs "Upgrade" Revenue and Usage

	Number of New Pass holders	Revenue from New Pass holders	Number of Pass holder Upgrades	New Revenue from existing Pass holders	Number of Local Visits	# Out of area Visits

Subject: Regional Recreation Pass

Page 2

## DISCUSSION

This project is a positive partnership and is supported amongst the Intermunicipal Parks and Recreation Managers and Directors. The Intermunicipal Directors Committee discussed various options concerning other regional products such as piloting a Regional Family Pass. Because of the differences in price, services, and payment options associated with other products, the Directors Committee support the following:

1. To establish the Adult Annual Regional Pass as a product under the same guidelines that it was piloted (premium cost of \$420.10, fee to rise in 2011.)
2. To introduce a monthly installment payment system (and implement a \$25 non-refundable convenience fee for choosing the monthly payment plan option.)

## FINANCIAL IMPLICATIONS

There are no new costs associated with the Adult Regional Recreation Pass. Existing staff resources will be used to administer the program, and the cost of a hologram ID sticker (10 cents each) for municipal recreation centre passes will be covered by the higher priced Regional Recreation Pass.

Revenue is expected to increase with the launch of a regional marketing campaign administered through the Intermunicipal Managers Committee.

### STAFF REPORT

**DATE:** October 27, 2009 **REPORT NO.**  
**TO:** Scott Hartman, Director of Parks and Recreation Services  
**FROM:** Jeff Byron, Manager of Recreation Services  
**SUBJECT:** Partnership with Panago Pizza

#### RECOMMENDATIONS

1. That the Parks and Recreation Advisory Committee support issuing one annual Family Pass to Sybille and Marlin Wilson, owners of Panago Pizza Esquimalt.

#### BACKGROUND

In October of 2004 an agreement was made between Esquimalt Parks & Recreation and Panago Pizza for the provision of five pizzas per week to our Youth Only Friday Night Program in the Recreation Centre, and two pizzas per week to the Sunday Public Skate at the Sports Centre. The pizzas are used as prizes for staff led activities at both the drop-in sessions. In exchange for the pizza, Panago has been given 50 free Drop-in passes per year, and title sponsorship of the two sessions. The retail value of Esquimalt's contribution to Panago is approximately \$500 per year. The retail value of the donated pizza by Panago is approximately \$3920 per year.

#### DISCUSSION

A letter was recently received from Sybille and Marlin Wilson, owners of the Esquimalt Panago requesting they receive an annual family pass in exchange for their contribution. Staff believes the Wilson's have been excellent community partners over the past five years, and would like to add the pass to the agreement.

#### FINANCIAL IMPLICATIONS

An annual family pass currently retails for \$640.00. This will be added as an expense to our promotions account.
